

leveldb_property_value

```
graph LR; A[leveldb_property_value] --> B[leveldb::DB::GetProperty]
```

A diagram showing a call to the leveldb::DB::GetProperty method. On the left, a gray rectangular box contains the text 'leveldb_property_value'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'leveldb::DB::GetProperty'.

leveldb::DB::GetProperty
