

fread_unlocked

leveldb::anonymous
_namespace{env_posix
::cc}::PosixSequentialFile::Read

```
graph RL; A["leveldb::anonymous  
_namespace{env_posix  
::cc}::PosixSequentialFile::Read"] --> B[fread_unlocked];
```

The diagram illustrates a function call. On the right, a white rectangular box with a black border contains the C++ code: `leveldb::anonymous`, `_namespace{env_posix`, and `::cc}::PosixSequentialFile::Read`. A blue arrow points from the right side of this box to the left side of a gray rectangular box with a black border on the left, which contains the text `fread_unlocked`.
