

include/leveldb/atomics.h

```
graph TD; A[include/leveldb/atomics.h] --> B[stdint.h]; A --> C[stddef.h];
```

The diagram illustrates the preprocessor directives within the file `include/leveldb/atomics.h`. Two blue arrows originate from the bottom of the top box and point to the boxes below, indicating that `atomics.h` includes `stdint.h` and `stddef.h`.

stdint.h

stddef.h
